

EMMANUEL BLISS

GRAPHIC / UI&UX DESIGNER

ABOUT ME

Am a highly accomplished and creative graphic designer with over 5+ years of experience in developing unique visual branding solutions to make businesses or people stand out through bold branding, arresting visuals. A creator of both notable logos, brand identities and company style badges (both online and print), that draw attention to an audience in order for a better branding. Skilled in the use of industry leading design software with meticulous attention to detail and a proactive approach that delivers designs above expectations. Committed to keeping serviceable with industry trend, always advancing in my skills to churn out results-driven design solutions

JOB EXPERIENCE

GRAPHIC DESIGNER

2020-2024

Starr Power Technology

I played a pivotal role in the development and execution of creative concepts across various media platforms. My responsibilities included collaborating with cross-functional teams, including marketing, product development, and content creation, to deliver visually compelling designs that aligned with brand guidelines and resonated with target audiences

OBJECTIVE

Exceptionally talented and imaginative graphic designer with extensive proficiency in Adobe Creative Suite and an undeniable attention to detail. Excited to bring my branding, digital media, and print design talents to your company. Committed to creating visually awesome designs consistent with brand standards, for the customers
